Seeing this as an opportunity for Trubel to get some field experience, Nick takes her along. When the investigation reveals that the girl belonged to a shoplifting ring and was held against her will, Trubel decides to join it on her own in an effort to bring the culprits of the murder down herself. His father, Rolek (seen at the end of the previous episode), is dying and wishes to pass on his many valuable Grimm possessions to Nick since he fears his disbelieving son will sell them to the highest bidder. Complications occur when the rogue FBI agent from "The Law of Sacrifice" returns leading a special task force from the Verrat called "Ahnenerbe", whose assignment is to retrieve any rare valuable occult and supernatural items. In this case, it's the Porter family's treasure key. While this all occurs, Adalind begins gathering ingredients for a doppelganger potion that allows her to temporarily disguise as Juliette.

Monroe and Rosalee proceed with their marriage despite an incident with the dress, and everything seems to be going well. However, Adalind begins a new plot against Nick at Viktor's request, and it threatens to ruin the wedding as well as Nick and Juliette's relationship... and Nick's future as a Grimm. Disguised as Juliette in a romantic mood before the wedding, Adalind sexually transmits a spell that later disables Nick's Grimm abilities. Sean breaks into Catherine's storage room, finds out Adalind's plot, and obtains an antidote potion to reverse the spell on Nick. The disguised Adalind meets Trubel and leaves the house before the real Juliette returns. Trubel follows Adalind a few blocks into town, where Trubel sees Adalind board a taxi cab and the disguise expire inside. Meanwhile, Juliette returns from the hair salon and sees evidence of sexual activity in the bedroom. Trubel returns and sees the couple leave for the wedding. Sean comes over to Nick's house to deliver the potion, only to find Trubel there. She gives him the wedding address. As Sean heads out, the rogue FBI agent suddenly fires three shots at his torso. The shooter chases the lone witness up to her room, threatens to kill her, and woges. Upon his sight of her identity, the Grimm kicks the intruder out the room and beheads him with her machete.

Opening quote: "Turn back, turn back, thou pretty bride, within this house thou must not abide. For here do evil things betide."
